SEARCH
A little pain,
A little pleasure. A little heaping up of treasure. And a little reward for all your strife, Is what you get in search of life.
Where is the time for hope or doubt,
A puff of wind and Time is out.
As quick as it came it's gone again.
For every beginning there is an end.
Golden morning, purple night,
Life that fails with failing light,
But the search will go on, whatever the case, and soon you'll feel you've found your place.

The bonfire sparked pride

Student Council sponsors dances

This was a productive year for the High School Student Council. They continued working on the tennis courts by raising money for lighting and resurfacing.

The student lounge was maintained, and an activities sign was bought. Approximately ten dances were sponsored, one in which tapes took the place of a band. The student council did a good job of achieving their goals for the year.

Searching for identity

Many endeavors are fulfilled by MHS Seniors

There is a vast myriad of people searching for a future of pleasurable fulfillment. And through the years they absorb the knowledge required for their journey through life.

The Seniors of Mannford High School, as so many others do, search their hearts and minds for what they expect their future to be. They sadly say a sweet goodbye to old friends and MHS. They journey through life and one by one their hopes and fondest dreams come true, until one day the search is over and their life is fulfilled.

It only takes one to sharpen a pencil!!

Juniors plan prom

The definition of Junior, in the Webster dictionary is a younger person; a person of lower standing or rank; relating to a third-year student or class in a high school or college. But to us at Mannford High School our Juniors are much more. They are nearly the most important class in high school. They have more responsibilities than any other class. For one, they raised money for the prom, to insure the best prom ever. Juniors ran the concession stand at all basketball games, sold candy and magazines, and sponsored bingo at the Halloween carnival.

What is the meaning of Junior? Class rings, raising money for the banquet and prom, but most of all looking forward to their Senior year.

In Memory Of

David Allen Jones

Feb. 4, 1960 to Dec. 4, 1976

David attended Moore Junior High School where he was active in football and baseball. He became interested in stock cars and was privileged to attend the Indianapolis 500 Race twice, as well as many local races. He took classes at a karate school and worked there part time. His interest in karate resulted from a close friendship with his instructor.

In 1974 his family moved to the Mannford area. He attended Mannford High School his freshmen, sophomore, and junior years. He worked part time at Freddie's steak house and the summer of 1976 at a medical building in Tulsa with his grandfather.

His untimely death left us all heavy hearted. But as he would have wanted, his eyes were donated to give the gift of light to another young person.

They are not lost who find the light of sun and stars and God.

Faculty Follies

Under the direction of Jim Tucker, fifth grade teacher, the 1977 faculty follies were a success. The theme, The Time Machine, provided the basic idea around which all the skits were devised.

Mike Arnold, an innocent by-stander, was taken by Ted Smith, the mad professor, into many time periods by means of the Time Machine. The two were almost carried away by witches in Salem, and Betsy Ross, Martha Washington, and Scarlet O'Hara fell madly in love with the professor. As always, the heroes escaped and returned to Mannford High School (without having seen Lady Godiva, as was Mr. Arnold's wish).

Timmy Crane, Steve Green, Penny Patrick, and Tim Elkins.

Art Show

The art show was held April 12-15 in the high school auditorium. The paintings, watercolors, pastels, and macrame pictured were done by the advanced classes. Drawings and pastels by the eighth grade art class and by art I students were also displayed. The 1977 show consisted of more art work and was better attended than any previous year's show.

Jr. Sr. Prom

The 1976-77 Jr.-Sr. Banquet and Prom came off as a big success. It was held at Stillwater in the OSU Ballroom, where everyone foundered on the delicious meal prepared for them. Entertainment during the banquet was furnished by some young ladies of our own select group. They sang songs such as, "Love is Blue", "Moments to Remember", and the theme song of the prom, "Pieces of April."

After the banquet everyone retired to the dance floor and "Boogied" to the sounds of "The Country Side of Life". Everyone had a memorable time, even the faculty.

I, Joy Hover, Editor of the Mannford Yearbook, would like to extend my thanks to the businesses, teachers, and students who cooperated in our effort to put this book together.

I would like to thank those of my staff who contributed their time and effort. Many hours were spent on planning, layouts, and copy. I wish to express a special thank you to Janet Murray, our advisor, and Kelly Eslick for working after school was out. Without them, this book would never have gone to press.

This book has shown some of the many paths that we travel in our searching. One final thought I leave with you: All the paths of the Lord are mercy and truth unto such as keep his covenant and his testimonies. Psalms 25:10
